NCRD Board Highlights March 2025

Moved by Councillor Johnston, seconded by Councillor Currie that the NCRD Board report be received and filed.

CARRIED

PETITIONS AND DELEGATES

Sgt. Lance, Cpl. Premier Masset RCMP

RCMP first quarter reports there are the same number of files as last year with the same type of calls. The lack of mental health help in the community was discussed and they

feel that Northern Health should be lobbied for more. They feel that some of their cases are more mental health issues, not criminal.

Sgt. Lance asked Council if they recommend any changes to the Annual Performance Plan. Council did not see the need for changes as there was no increase in files or calls.

VERBAL REPORTS OF COUNCIL/CAO/CFO

Councillor Johnston attended a Gwaii Trust meeting.

CFO Brown has been working on the audit and budget.

Councillor Currie attended a Community Futures meeting.

CAO Humphries has been working with the fire department regarding the major fire that occurred and attended an Island Protocol meeting. Taylor Bacharach's office informed Josh that the King's Medal is being awarded to Leslie Bellis and a presentation to Leslie's family is being planned for Harbour Day.

Mayor Disney has been in discussions with Ben from VIRL.

Councillor Pages attended an NCRD meeting and talked to Ben from VIRL regarding the new library.

Moved by Councillor Johnston, seconded by Councillor Currie that the verbal reports be accepted as presented.

CARRIED

NEW BUSINESS

NB-1 Development Procedures Bylaw

Urban Systems submitted a quote to draft a separate Development Procedures Bylaw.

Moved by Councillor Johnston, seconded by Councillor Currie that the Village of Masset approve Phase I as recommended.

CARRIED

CALL TO ORDER

The Village of Masset acknowledges the un-ceded traditional territory of the Haida Nation on which this meeting is held.

The meeting was called to order by Terry Carty at 1904

AGENDA:

Jenny Nelson added
NB#4 - The meadow
NB#5 – Members

It was moved by Jenny Nelson and seconded by Terry Wallace, to accept the agenda with two (2) additions.

CARRIED

MINUTES:

It was moved by Terry Wallace and seconded by Jenny Nelson, to accept the minutes of the September 4, 2025 meeting.

CARRIED

BUSINESS ARISING FROM THE MINUTES AND UNFINISHED BUSINESS:

Update trail signage – Diana Grosse

It was moved by Terry Wallace and seconded by Jenny Nelson, for Diana Grosse to move forward with the two (2) signs. (Beach Access & The Short Cut).

CARRIED

Update Roller Rink – Terry Wallace

Terry Wallace noted that the Roller Rink ceiling is still flaking off and that the user groups are regularly cleaning up prior to playing. Terry believes there is sweeping/washing motorized equipment that would assist with the consistent need for cleanup. Terry Wallace will cost out appropriate cleaning equipment.

It was moved by Terry Wallace and seconded by Jenny Nelson to table the Roller Rink issues to the next meeting.

CARRIED

REPORTS:

No reports to review.

NEW BUSINESS:

1. Active Transportation (Trails)

Urban Systems transportation planner, Jack De Sante, joined via zoom and gave an update on the Active Transportation project. Requesting input from the Committee as to which project they would like to focus on going forward.

It was moved by Terry Wallace and seconded by Jenny Nelson to recommend the Harrison Avenue/Multi-purpose trail be the next project to move forward on.

CARRIED

Terry Wallace brought up concerns regarding a section along Hodges Avenue. The section does not have a safe formal pathway, and will be used more by students once the new entrance to the school is open.

It was moved by Terry Wallace and seconded by Jenny Nelson to work on a solution for a safe walkway along the undeveloped section of Hodges Avenue.

CARRIED

2. Town Clean-up

Jenny Nelson recommended people to clean up the garbage around town. She is currently doing this at the end of each month.

It was moved by Terry Wallace and seconded by Jenny Nelson to set a date around the end of the month, for a community volunteer clean-up day.

CARRIED

Discussions were had regarding the dangerous dead/dying trees located around town. Josh Humphries informed the Committee that an assessment of the trees has been completed. Joshua Humphries will ask Andrew Hudson (grant writer) to research grant funding for dangerous tree removal.

It was moved by Terry Wallace and seconded by Jenny Nelson a request to Council for a dangerous tree clean-up.

CARRIED

3. Update of Skate Park

Joshua Humphries advised the Committee that an application has gone into Gwaii Trust for funding. Staff is also looking into NDIT for funding.

4. Meadow Clean-up

Joshua Humphries will ask council for funding to assist with the clean-up of the meadow.

5. Committee Member

Joshua Humphries explained to the Committee that it needs one (1) more member, he will reach out to Daniel Ko. If he is not interested, Joshua Humphries will put out a request for public interest.

ADJOURNMENT

It was moved by Terry Carty to adjourn the meeting at 8:23pm

Attention: Chief Administrator-Joshua Humphries

Dear Joshua Humphries,

I am writing this letter to ask council if they have designated any land within the cemetery for Green Burials? For those people that are unfamiliar with such burials, it allows the burial of an unembalmed body in a biodegradable container, focusing on returning their body to the earth in an environmentally and friendly manner. The prepared body is buried in a designated burial ground which is in a more natural setting such as a meadow or forest. The goal of a natural burial is to minimize the impact on the environment and to allow the body to decompose naturally and become part of the ecosystem.

The present location of the Village of Masset cemetery is ideally located to allow Green or Natural burials, with the added advantage of being isolated from any community and the associated water and waste water systems etc. Also, the cemetery is large enough and has plenty of unused land, that designating a portion for natural or green burials will not affect the present traditional burial methods.

I am willing to come and meet with council to discuss this further, if they feel it's necessary.

Thank you for your attention to this matter and please feel free to contact me at any time if you have questions or need more clarity,

Yours truly,

A handwritten signature in black ink, appearing to read 'John Disney', with a long, sweeping horizontal stroke extending to the right.

John Disney.

VILLAGE OF MASSET

Schedule "B" to Bylaw No. 673, 2025

Proportion of Revenues By Funding Source:

The following table outlines the proportion of total revenue that comes from each funding source in the Village of Masset's 2025 Financial Plan. The Village of Masset has an ambitious budget this year which plans to complete replacing the waterlines project prior to the completion of repaving the municipal roads in Masset this summer. This accounts for the two largest portions of the 2025 budget which are transfers from reserves and other grants. Other projects and capital expenditures for 2025 include solar system upgrades at the airport, the Masset Covered Plaza, tree removal around the airport runway, heat pump installations in municipal buildings and replacing the airport air handling unit. The Village of Masset continues to also work on the asset management plan and bylaw reform. The next highest revenue source for 2025 is from Airports. In 2025, the Masset Airport is expected to be running at a normal operating capacity, which includes a regular schedule of flights with Pacific Coastal as well as a busy summer season for lodge charters. The remaining categories of funding are property taxes and collections for other governments, fixed grants, user fees and sales of services for water.

Revenue Source	% Total Revenue
Other Grants	39%
Reserves	23%
Airports	16%
Property Taxes	8%
Collections for Other Gov'ts	5%
Other Revenue	3%
User Fees, Sales of Services	3%
Fixed Grants	3%
	100%

Distribution of Property Taxes Between Property Classes

The Village of Masset is a small community that has the majority of its taxes based on a residential and business tax base. The Village does have access to other funding and revenue sources such as The Small Community Grant that has allowed the council to keep the tax rate increases minimal and not put an extra burden on residents and business owners. The Village of Masset has increased the tax rate by 3% in 2025 which has been applied to all of the property tax classes.

Class	Property Class	% Tax Burden
1	Residential	72%
2	Utilities	4%
5	Light Industry	< 1%
6	Business	24%
8	Recreation	< 1%
		100%

Use of Permissive Tax Exemptions

The Village of Masset does not issue permissive tax exemptions.

RE: Village of Masset Asset Management Support Workplan

1.0 PROJECT UNDERSTANDING

The Village of Masset has made considerable progress in its asset management objectives since the development of a comprehensive Asset Management Plan in 2022. Urban Systems has supported the Village in considering next steps for implementation, outlining the following recommended areas of focus:

1. Improving and maintaining the asset inventory
2. Integrating risk into planning and decision-making
3. Prioritizing investments in asset management

This workplan outlines tasks that will support the Village in moving forward focus areas #2 and #3.

2.0 WORK PLAN

Task 1.1 Risk Assessment

Task: Risk assessment for condition-based failure of the Village's linear water and sanitary infrastructure, as it is currently captured in GIS data. This will focus on developing criteria for assessing likelihood and consequence of failure to generate risk scores for these assets.

Deliverables: Risk Framework Memo outlining proposed criteria for likelihood and consequence of failure, risk assessment results (excel export)

Task 1.2 Investment Prioritization

Task: we will work with Village staff to develop a 1-page Project Justification Form to outline the rationale for investments, and pilot this tool by filling it out in collaboration with staff for 5 projects from the existing asset management plan (or other projects as determined by staff/the project team)

Deliverables: Project Justification Form

Assumptions

- We have developed the budget estimate assuming that we will work virtually, and analysis will be desktop-based, unless site visits can be budgeted for separately or coordinated with other ongoing work.
- We have assumed there will be no council meetings as part of this work, however a virtual council presentation could be accommodated if desired.
- We have assumed 10 hours of time allocated to data cleanup for the Village's GIS data as we have not seen this yet. If further work is needed, we will discuss next steps/budget requirements before proceeding with additional cleanup work.

Fees/Schedule

We anticipate approximately 4 months to complete this work following project initiation, and are ready to begin immediately following approval from the Village to proceed and the receipt of requested supporting information. We understand that the Village's current watermain replacement and repaving program will provide new supporting information, and elements of the project focused on assessing water infrastructure may change or be delayed depending on information available from this work.

TASK/DESCRIPTION	TOTAL FEE
1.1 Risk Assessment	\$12,000
1.2 Investment Prioritization	\$3,000
TOTAL	\$15,000 + gst

To authorize Urban Systems to proceed with the work based on this work program, please sign below and return to us at your earliest convenience.

Literacy Haida Gwaii

P.O. Box 235
Daajing Giids, British Columbia, V0T 1S0

Village of Masset

February 24th, 2025

Dear Sponsor,

Literacy Haida Gwaii is a charity that promotes and supports literacy and lifelong learning on Haida Gwaii. Established in **1995**, our organization is proud to celebrate **30 years** this year of serving our community. Over the past three decades, we have worked tirelessly to ensure that literacy remains accessible to all islanders.

Our **annual fundraiser for Literacy** will take place on **June 1st, 2025 in Daajing Giids, BC**. This year's theme event is a Murder Mystery Dinner Theatre followed by a dance party featuring the local band *Fun Guise*.

Our fundraising literacy event not only raises crucial funds but also advocates for awareness of literacy and lifelong learning. Last year, we raised **\$20,370**, which directly supported a range of literacy programs for our residents.

100% of the funds raised stay entirely on the island to provide literacy support for islanders. Our programs serve many learners—adults working on essential reading, writing, and numeracy, those striving to complete their **Adult Dogwood**, seniors and adults learning technology skills, and individuals seeking to improve workplace essential skills or English as a Second Language (ESL) proficiency. Our society also runs free community events such as **financial literacy workshops, budgeting workshops, and basic Microsoft Word and Excel skills training**. These initiatives address critical literacy-related issues, impacting **language, health, employment, families, finances, communities, and the economy**. In addition, we financially support our local Haida language programs and donate monthly books to children under 5 years of age to support family literacy.

Despite our ongoing efforts, **literacy funding remains a challenge**. There has been **no federal funding** to support literacy work, and **provincial funding has now been scaled back for all community literacy groups**. As we look ahead, sustaining our programs will become increasingly difficult without community and sponsor support.

Our **free programs** have made a significant impact, helping many learners on Haida Gwaii build confidence and skills to achieve their goals. We continue to evolve, offering **both in-person and virtual learning opportunities** to meet the needs of our community.

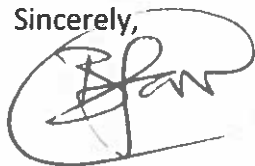

This fundraiser is **key to sustaining our programs**, and we rely on the generosity of donors like you to ensure that literacy remains accessible to all. I have enclosed this year's **sponsorship and donation brochure** for your review. This is a wonderful opportunity for you to pledge your support and help keep our literacy programs running so that everyone has a chance to learn and succeed.

I hope to hear from you soon about how we can work together to promote lifelong learning on Haida Gwaii.

Thank you for your time and support.

Sincerely,

Sincerely,
